

MIDAIRCONDO

Rooted in avant-garde sound art, razor-sharp electronica, fragmented jazz and melancholic pop, Midaircondo has created a wondrous musical universe of hypnotic, tantalizing and direct music. The internationally acclaimed duo is known for their visual and improvised concerts with an imaginative mix of acoustic instruments, voice, electronics and video. Midaircondo has succeeded in creating music that moves seamlessly between challenging sound art and radiant pop music.

Since the start in 2003, Midaircondo has released four critically acclaimed albums, Shopping for Images (Type Records, 2005), Curtain Call (Twin Seed Recordings, 2009) and Reports on the Horizon (Twin Seed Recording, 2011). Reports on the Horizon was created in collaboration with Danish drummer and percussionist Michala Østergaard-Nielsen. On January 21 2015 Midaircondo releases their fourth full-length album IV (Twin Seed Recordings). The album was recorded in front of a live audience at Svenska Grammfonstudion in Gothenburg, Sweden.
